# Ohio 590 Nutrient Management Revision Team

**This was a major undertaking...**

**Combining 590 and 633 into one state standard**

- **Two of our largest practice standards into one**

# Two Face to Face Meetings

**May 8th ODA**

**590**

**May 14th London**

**633**

# Ohio 590 Nutrient Management Revision Team

We then worked via email

- Two Rounds
- Currently Working on Final Draft

# Ohio 590 Nutrient Management Revision Team

It was also reviewed by the State Technical  
Guide Committee for comment.

This is an internal review committee for  
quality control of technical documents.

# To finalize...

## Clean up and issue a final draft

- Offer one last chance for final comments
- Post the final in the eFOTG
